Dubai Overview

As UAE is known for its growing commercial hub, multi-cultural atmosphere, safety factors, career opportunities, etc has become increasingly attractive for international students due to its dynamic blend of factors.

Dubai is located on the eastern coast of the Arabian Peninsula in the southwest corner of the Arabian Gulf. The Emirate of Dubai covers an area of 4,114 square kilometres. Within the Emirate, the city of Dubai covers an area of about 35 square kilometres but is expected to double in area with the addition of five man-made islands and the completion of desert construction work. The Emirate has the highest population density in the UAE. Dubai is the second largest emirate in the United Arab Emirates (UAE) sharing borders with Abu Dhabi in the South, Sharjah in the Northeast, and the Sultanate of Oman in the southeast

Living Expenses

International students can expect to pay between **AED 2500 and AED 4000** per month inclusive of transport, utilities, food, accommodation and entertainment, depending on their stay- on or off campus. On-campus housing might offer convenience and proximity to campus facilities, while off-campus options provide more independence and potentially a wider range of amenities.

Work Opportunites

The allowance of part-time work for Bachelor's students and full-time work for Master's students, along with the flexibility for Master's students to attend evening classes, can provide students with valuable opportunities to gain work experience and support themselves financially during their studies. The requirement for a No Objection Certificate (NOC) from the University ensures that students maintain a balance between their academic responsibilities and work commitments.

Golden Visa

Outstanding students of foreign Universities may be granted a Golden visa for a period of 10 years without a sponsor, provided that the University is rated among the best 100 Universities Global according to the rating system recognized by Ministry of Education. The student's cumulative GPA is not less than 3.5.

It has not been more than 2 years since you graduated. Graduation certificate is accredited by the Ministry of Education.
